| Auto repair shops | Trucks |
| Service stations | Fleet vehicles |
| Governments | Tanks |
| Printers | Machinery |
| Industrial food plants | Construction equipment |
| Railroad yards | Tractors |
| Marinas, dockyards | Food plant machinery |

Technical Specifications:

| | |
|-------------------------------------|-------------|
| Clarity | Transparent |
| Color | Green |
| Odor | None |
| Boiling Point | 100°C |
| pH @ 100% | 12.4 |
| Specific Gravity gr/cm ³ | 1.10 |
| Solubility in Water | Complete |

EVERBRITE PLUS

[Get Quote](#)

Cleaner – Disinfectant – Sanitizer – Deodorizer – Fungicide – Virucide

For cleaning, disinfecting and sanitizing any surface where plain water can be used

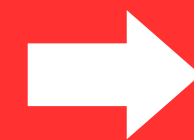

Features:

- Use on food contact surfaces
- Disinfects and prohibits growth of mold
- Cleans food processing equipment
- Use for cleaning animal cages
- Use on Fogging machines
- Use on Ultra-sonic baths
- Use on Beverage dispensing equipment

EVERBRITE PLUS

| Manufacturing plants | Air conditioning coils |
| Food processing plants | Buildings |
| Schools | Ladders |
| Hospitals | Roofs |
| Public buildings | Aluminum baking trays |
| Government facilities | Unpainted aluminum |

Technical Specifications:

| | |
|--------------------------------------|--------------------------------------------------------------------------------------------------------------|
| Dilution Rates by Application | 1:25 / Normal Cleaning 1:20 / Cleaning AC Coils 1:10 / Coil Brightening 1:8 / Badly Pitted Surfaces |
| Clarity | Transparent |
| Color | Red |
| pH @ 100% | 12.9 |
| Specific Gravity gr/cm3 | 1,17 |

HI-LUBE 32, 46, 68,100

High Performance Single Grade Hydraulic Oil

[Get Quote](#)

Highly refined high viscosity index mineral oils fortified with the following additives

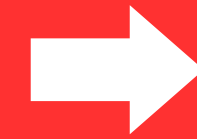

Features:

- Extreme pressure
- Anti-wear
- Anti-oxidation
- Anti-corrosion
- Anti-foam

HI-LUBE 32, 46, 68,100

High Performance Single Grade Hydraulic Oil

[Get Quote](#)

Provides Superior Equipment Protection for:

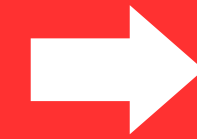

- Industrial Manufacturing
- Steel Mills & Foundries
- Paper mills, printing, & packaging
- Construction, Mining
- Excavation & Demolition
- Utility Construction

CHEMENE

Hospital Grade Disinfectant & Algaecide

[Get Quote](#)

Highly refined high viscosity index mineral oils fortified with the following additives

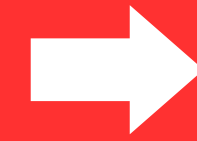

Areas Of Use:

- Hospitals and Clinics
- Nursing Homes
- Restaurants
- Schools
- Hotels and Motels
- Office Buildings
- Transport Facilities
- Factories and Workshops
- Laboratories
- Change rooms

Areas to Apply:

| |
|------------------------|
| Councils |
| Hotels and Clubs |
| Restaurants |
| Schools |
| Hospitals |
| Food Processing Plants |
| Office Buildings |

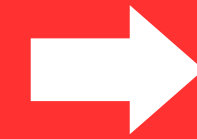

ND-66 generates heat to dissolve and liquefy

| |
|--------|
| Hair |
| Paper |
| Grease |
| Oil |
| Fats |
| Soap |

Androil

Multi-Purpose, Food-Grade, Lubricant & Penetrant

[Get Quote](#)

Extreme pressure food grade lubricant & penetrant for food processing application

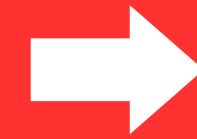

Features:

- High Performance Lubrication
- Resists Rust, Corrosion & Oxidation
- Produces a light lubricant Film
- Clean Lubrication
- Excellent Food Grade Chain Lubricant

Androil

Multi-Purpose, Food-Grade, Lubricant & Penetrant

[Get Quote](#)

Industries Requiring H1 Lubricants

- Food Processing Plants
- Bottling Plants
- Dairies
- Meat & Poultry Packing Plants
- Breweries
- Industrial Manufacturing
- Automotive Garages
- Canneries
- Marine
- Farming
- Water Departments
